

As a leading global technology company, TeamViewer offers a secure, remote connectivity platform to access, control, manage, monitor, and support any device – across platforms – from anywhere.

WHY TEAMVIEWER

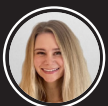

TeamViewer will grow your business by...

- ▶ Offering a remote access and support solution you can trust.
- ▶ Providing sales support, training/enablement, and marketing materials.
- ▶ Extending lucrative margins, deal registration discounts, and SPIFFs.
- ▶ Increasing current deal sizes with 25+ integration partners.
- ▶ Top-rated amongst global review sites such as G2, TrustRadius and XR Awards.

WHAT MAKES TEAMVIEWER DIFFERENT?

- ▶ Top-rated amongst Global Review Sites like TrustRadius, G2, Capterra and TrustPilot
- ▶ Committed to a sustainable business environment, translating to 37 megatonnes Co2e savings
- ▶ Principal Shirt Partner for the Manchester United football team
- ▶ Official partner of the world's most powerful automotive brand's competitive teams – Mercedes-AMG Petronas Formula 1 Team and Mercedes-EQ Formula E Team
