Supporting Paessler from New Jersey

How Can Katie Help You?

- Central point of contact for inquiries and escalations for Paessler
- Assist with business development
- Onboarding of new partners
- Review partner program
- Events, webinars, and training
- Licensing questions and feature sets
- Product demonstrations

Katie has worked in the IT industry for 8 years across different departments where she has grown and expanded her knowledge of IT. Katie's focus is to enhance the Paessler brand and uncover new opportunities while ensuring you are getting the prompt assistance you need! When she is not helping with Paessler, you can find her outdoors whether that be hiking, skiing, or having a relaxing day at the beach!
