

Benefits of the Parallels Desktop for Mac subscription

When your customers subscribe to Parallels Desktop, they are extended a seamless experience that entitles them to free upgrades to future-proof their purchase. Any minor updates or bug fixes are instantly available, and 24/7 customer support is included. Best yet, a subscription entitles users to complete access to Parallels Toolbox® and Parallels Access®. High-quality productivity tools and remote access functionality—for the duration of the subscription period.

Complete compatibility

A Parallels subscription is technology-forward. When users subscribe to Parallels Desktop, the subscription will always be compatible with the latest operating system updates and changes.

Free upgrades

Upgrades to the latest version of Parallels Desktop are free of charge and included in the subscription license.

24/7 support

With a Parallels Desktop subscription, users can leverage premium 24/7 phone, email, and social support after activation.

Microsoft-authorized solution

Parallels Desktop is authorized by Microsoft to run Arm versions of Windows 11 Arm Pro and Enterprise on a Mac with Apple silicon. **Arm certified.**
