

Climb Channel Solutions Announces A-LIGN, Security and Compliance Partner, as Global Contract

Eatontown, NJ (September 25, 2024) – Climb Channel Solutions, an international specialty technology distributor and wholly owned subsidiary of Climb Global Solutions, Inc. (NASDAQ: CLMB) has announced the addition of A-LIGN, a security vendor leading the industry in compliance, to its global offerings.

A-LIGN is a leader in SOC 2, ISO 27001, HITRUST, FedRAMP, CMMC, and more, while addressing cybersecurity needs, such as, penetration testing, ransomware preparedness, social engineering, and GDPR. Together, Climb and A-LIGN can expand their global partner base, providing existing and new partners with top cybersecurity compliance programs to assist in mitigating cybersecurity risk.

“We are excited to partner with Climb, and their recognized distribution network, to enhance our reach into the market. This collaboration allows us to work with a vast network of MSPs and VARs, filling a crucial gap in their current offerings. Together, we are well-positioned to expand internationally and domestically, staying on the cutting edge of evolving market trends. As leaders in the space, this partnership underscores our commitment to providing top-tier cybersecurity and compliance solutions globally.” said Andrew Steioff, Vice President, Global Strategic Alliances at A-LIGN.

A-LIGN's compliance expertise will benefit Climb and its partners to answer the demand for customers to stay secure and compliant. A-LIGN's holistic approach allows customers to continue to utilize their current infrastructure without having to restructure amidst changing regulations.

“Compliance is at the forefront of conversations across the IT channel as organizations are constantly navigating regulations,” says Dale Foster, CEO of Climb Channel Solutions. **“At Climb, the priority to provide the necessary cybersecurity tools and resources in this age of compliance is tantamount. By partnering with A-LIGN, a trusted leader in SOC 2, ISO 27001, HITRUST, FedRAMP and more, we are ensuring that our reseller partners have the resources needed to go from audit to strategic compliance.”**
